Message:**RE: PENDING RATE INCREASE**

We are writing this letter of protest for an almost 10% rate hike that SCE & G is attempting To pass on to it's consumers. We are in opposition to this rate increase in reference to Docket # 2009-489-E.

As senior citizens,with a limited income, we feel this is an outrageous amount and protest it!!
Do not do this!!

Concerned citizens,

Arthur Mittendorf
